

ProDrivers' Safety and Compliance Seminar

with Jim Smith, MS, CSP

Please **join us** for a complimentary seminar at:

Date:

Time:

Lunch will be provided.

Sponsored by:

ProDrivers will again be hosting safety and compliance seminars in 2018. We have provided these seminars for the past 7 years and have presented to over 1,000 clients and prospects. These one-day seminars focus on what a supervisor needs to know about basic safety and federal compliance to include:

- DOT Audit Overview
- Applicability of Federal DOT Safety Regulations
- Drug and Alcohol Testing (with Reasonable Suspicion Certificate)
- CSA
- Vehicle Maintenance and Accident Documentation
- Hours of Service Regulations
- Electronic Logging Devices
- New and Pending Regulations

We are confident that you will leave the seminar much better prepared to handle the challenges relating to federal safety regulations and fleet safety in general.

ProDrivers, along with our sponsor, Instructional Technologies, will be giving away the following door prizes at our Seminar.

- 4 Subscriptions to ProTREAD Professional Fleet Manager Online (Value \$1000 Each)
- Each participant will be provided with a copy of the digital presentation and course materials
- Participants will be provided with a 3-month trial that includes over 140 Safety Modules from ProTREAD
- Attendees will receive a certificate of completion for attending the course

The seminar is absolutely **free** and is offered as a Value-Add to our Clients and Prospects!

We appreciate the opportunity to serve the transportation industry

Jim Smith is Vice President of Specialty Safety at Employbridge, ProDrivers' parent company. Jim is responsible for safety within the Specialty division of Employbridge to include transportation, warehousing, and manufacturing operations.

Prior to joining ProDrivers in 2010, Jim spent 10 Years as a Regional Safety Manager for one of the nation's largest private fleets. Jim holds both a Bachelors and Masters Degree in the field of Safety. In addition, he is one of only 2% of Transportation Safety Professionals to hold the nations most distinguished safety designation, the Certified Safety Professional (CSP).

Jim is an authorized OSHA outreach trainer for General Industry. He was certified by General Electric in 2001 as a Six-Sigma Black Belt. He is currently a member of the American Society of Safety Engineers, National Private Truck Counsel, and serves as a member of the American Trucking Association's Safety Management Council.

while making every effort to provide a safe work environment for not only our drivers and clients, but the motoring public.

Space is limited, please RSVP as soon as possible to hold your spot.

Reasonable Suspicion Training for Supervisors!

The FMCSR says that "All persons designated to supervise drivers must receive at least 60 minutes of training on alcohol misuse and 60 minutes of training on controlled substance use." 49 CFR 382.603

This free seminar will provide you with a certificate of training that is required by Federal Regulations!

- Help your supervisors gain the knowledge and confidence they need to make reasonable suspicion determinations
- Ensure that your team understand regulatory requirements regarding reasonable suspicion determination
- Ensure you know how to approach a driver including techniques to use to ease tense situations
- Learn how to document observed behavior
- Understand the warning signs of alcohol misuse and drug abuse and what you should look for when determining reasonable suspicion
- Gain knowledge of types of drugs tested for and their impact on the body
- Understand the impact of alcohol on the body
