

OFFICERS & DIRECTORS

A WORD FROM OUR CHAIRMAN – "Thank you for being a part of the Idaho Trucking Association! We are the voice of the trucking industry in Idaho, and it is my pleasure to lead a united front for our great industry. I hope you take a minute to familiarize yourself with the association and your fellow members. Belonging to the ITA means access to information on mandates, regulations, taxes and technology, as well as inclusion in a network of industry professionals facing the same issues and challenges." *Alan Ginkel*
