About the Idaho Truck PAC

The Idaho Truck PAC stands as an influential political action committee, fortified by the financial support of individuals like you. With the dedicated guidance of a fulltime lobbyist, we assume a leading role in advocating for reasonable regulations, supporting legislators sympathetic to our cause, and ensuring our concerns resonate in the corridors of power.

Core Pillars of The Idaho Truck PAC

Safeguarding Your Interests: Your contributions empower us to act diligently to safeguard your interests, ensuring your priorities take the forefront of legislative discussions.
Allies in Legislation: We ardently dedicate ourselves to supporting lawmakers who champion policies aligned with the trucking industry's requirements, actively contributing to the creation of a fair and flourishing environment.
Safety as Paramount: Your monetary support bolsters initiatives engineered to heighten road safety, ensuring the welfare of trucker's, trucking companies and the general populace alike.
Catalyzing Growth: We endorse policies that kindle economic expansion within the trucking domain, promoting job creation, and fortifying a resilient supply chain that engenders mutual benefits for enterprises and consumers.
Lobbyist Responsibilities: Advocacy and Monitoring, Consultation, Transportation Focus, Government Affairs Reporting, Legislative Documentation, Facilitating Government Engagements, Perception and Reputation Monitoring, and Political Strategy.

How You Can Contribute

Idaho Truc PAC is 100% funded by the dedication of individuals and companies who understand the vital role that transportation plays in our state's economy and infrastructure. There are several ways you can contribute:

Dennis Dellinger | Chairman | American Trucking Association

Dennis began his career with Cargo Transporters in 1986 as a Driver Supervisor and has since advanced through multiple leadership roles, including General Manager, Vice President of Operations, and Vice President. He was appointed President in 2004 and became President and CEO in 2019. Under his leadership, the company has experienced significant growth, adding new terminals in Rocky Mount, NC; Charlotte, NC; and Anderson, SC, along with a major headquarters parking expansion to support operational efficiency. Cargo Transporters has received numerous industry accolades for safety, sustainability, and diversity, including awards from the ATA, TCA, EPA, and Inbound Logistics. Dennis Currently serves as Vice Chairman of the American Trucking Association and holds leadership and advisory roles with the Truckload Carriers Association, The North Carolina Trucking Association, and The Trucking Alliance.

Idaho Transportation Department | New Registration System

Representatives from the Idaho Transportation Department will be on hand to discuss the rollout of the new vehicle registration system. They will provide a detailed overview of how the system works, the improvements it brings over the previous process, and the ways it will make registration faster and more efficient for Idaho residents.

Attendees will also have the opportunity to ask questions, receive guidance on navigating the new platform, and learn important timelines and requirements for updating their vehicle registrations. This session is designed to ensure everyone has a clear understanding of the changes and how to make the transition smoothly.

Colleen Wienhoff | President and CEO | Wienhoff Drug Testing

For over 38 years, Colleen has specialized in federally mandated and non-mandated drug and alcohol testing. Inspired by a conversation during her nursing career, she founded Wienhoff Drug Testing, now serving 5,000+ employers, municipalities, agencies, and trade organizations nationwide.

She has served on national drug testing boards for 34 years and is currently Treasurer of both the National Drug and Alcohol Screening Association and the NDASA Foundation. For the past three years, she has traveled to Washington, D.C., advocating for employers' right to test.

Colleen is passionate about client compliance, teaching, and safety. "My passion is to teach what I've learned and stress how critical it is for everyone to go home to their families each night."

Idaho State Police | English Language Proficiency

Representatives from the Idaho State Police will lead a session on the importance of English language proficiency for commercial drivers. They will explore how clear communication plays a critical role in safety, regulatory compliance, and effective interaction with law enforcement.

Attendees will learn about the potential challenges that language barriers can create on the road and during inspections, as well as best practices for ensuring accurate understanding of instructions, signage, and official documentation. This session is designed to help drivers, employers, and industry professionals understand the impact of language skills on daily operations and overall roadway safety.
