

December 11, 2019

Dear Allied Member,

I would like to introduce myself as the new Sales Rep for the Idaho Trucking Association. I want to thank you for your past membership and continued support. I have a background in trucking and I have a CDL. My top three goals are to grow the membership, unite trucking with-in the state and educational outreach.

I am really looking forward to 2020, many new changes are taken place at ITA, we hope to provide more return on investment for our trucking members by rolling out new member benefit programs. Another one that I am excited about is reaching out to High School students by partnering with the Future Farmers of America to help introduce them to trucking careers. Next spring the ITA will have the opportunity to reach out to 1,700 FFA students at their convention.

Please review the sponsorship packages attached, we want your sponsorship to bring value not only to you, but also to our fellow members so we can continue having great events like the Idaho Truck Driving Championships, The Rocky Mountain Regional Safety Rendezvous and more.

Thank you for your support.
